## FISCAL NOTE ANALYSIS

STATE OF ALASKA  
2020 LEGISLATIVE SESSION**Analysis**

SB 241 extends the COVID-19 public health disaster emergency, declared by Governor Dunleavy on March 11, 2020, to November 15, 2020. The bill also includes additional powers and programs for various departments necessary to address the COVID-19 situation.

SB 241 allows the Division of Community and Regional Affairs to make grants to Alaska Regional Development Organizations (ARDORs) for distribution to businesses impacted by COVID-19. ARDORs will develop application procedures and determine the amounts of financial assistance to a business based on statutory criteria. Information on these grants will be included in the annual ARDOR report, required under AS 44.33.896(e).

This legislation also extends municipal government deadlines under Title 29 that occur on or after the effective date of this Act until November 15, 2020 or when the public health emergency declaration is lifted, whichever is sooner. This would include deadlines for applying for the Community Assistance Payment program, the request for adjustment of population determinations, and the appeal of population determinations.

The Division of Community and Regional Affairs does not anticipate fiscal impact from this legislation.
